TO WHOM IT MAY CONCERN

Over the past 3 years Bentley Sydney has been associated with fund raising events for the MS Foundation along with BARRY BRADFORD.

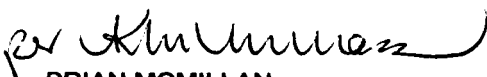

When we were first approached by Barry to undertake a fund raising event, it was Barry's professional approach and genuine enthusiasm for the event that convinced us to support this worthy organisation.

Barry has superbly coordinated the *"Bentley Sydney Charity Golf"* days from start to finish. He has competently approached, and secured, many celebrities and guest speakers to participate in our events – giving up their valuable time for free, and also secured many many wonderful auction and raffle prizes for the purpose of raising much needed funds for the charities.

Barry's organisation skills - sourcing venues, photographers, promotional advertising, guests etc has been a tremendous strength in assisting us in providing a Bentley experience at each of our events

Barry's support of Bentley Sydney is very much appreciated.

Yours sincerely
