Dear Barry,

I would like to thank you for the superb job you did organising, coordinating and running the wonderful Foundation/Bentley Sydney 2006 Charity Golf Day.

It was a wonderfully successful day in every respect. It is wonderful to see the spirits of the golfers continued this year. The dinner that evening was very enjoyable and I congratulate you on the success of it.

I am also very appreciative of your enthusiastic and encouraging manner which inspires others to come on board and assist. I have received much feedback about what an extremely positive day it was and what an outstanding job you did as Chairman of the Joint Organising Committee. I have received a letter from Carol Langford who has received many accolades for the significant contribution they are making to MS research in Australia and the partnership they have with the Roseville College Foundation is most definitely a contributing factor.

We have a wonderful community of parents, staff and girls at Roseville and I feel enormously privileged to be a part of this very special community. I look forward to working with you throughout this year.

With my best wishes,

Yours sincerely,

(Mrs) Elaine Collin
Principal
